

Pass-Fail Option Form

Guidelines

The Pass-Fail program is designed to encourage students to investigate fields outside of their major curriculum in which they have a specific personal interest without affecting their grade point average. The only grades assigned on courses taken under the Pass-Fail option are S and U; a grade of S indicates satisfactory performance, a grade of U indicates unsatisfactory progress. A student will be given credit for courses in which the grade of S is earned, but these courses will not affect the computation of the grade point average.

For additional information regarding Pass-Fail Grading, view the [Grading Policies](#) section of the Undergraduate Academic Regulations.
